

### **Second Grade Class at Presentation of Mary learns about Veteran's Day**

Miss Chan's second grade class is learning about the importance of our country's Veterans. The eager Second Graders read the book, "God Bless Our Troops" by Jill Biden. The class discussed how people all over the United States have to leave their families to help protect us and our country. The students created cards and wrote a special message in them. Matthew Roma, who has a father currently serving in the Marines, wrote "Thank you for protecting out country. You're my hero!". When asked what inspired her to teach this lesson plan, Meliza Chan responded, "I wanted to be able to show the children how lucky we are to be living in such a great country!".

In the picture, Caitlin deBeer, Matthew Roma, Vanessa MacDonald, and Phillip Smith.
