New First Grade Classroom Coming to Presentation of Mary Academy

After receiving numerous calls from prospective parents on a “first grade waiting list”, Sister Maria Rosa, Principal at the Academy, has decided to open a third first grade classroom at the prestigious private school for the fall of 2014-15. The class sizes will be limited to 23 students.

The decision to open an additional first grade meets the high demand of many parents seeking a private Catholic education for their children. The Academy is a private Catholic school owned and operated by the Sisters of the Presentation of Mary. It is situated on 90 acres of wooded land complete with a state of the art athletic turf field, swimming pool, basketball courts and playground. Students attending the Academy receive an excellent Catholic education with the focus on reading, English, math, science and social studies. Additionally, the students in grades Pre-k through grade 8 enjoy instruction in Spanish, art, music, library and computer sciences, physical education, and a wide selection of sports programs. Summer camps are available for all the students at the Academy.

For more information about registering your child for the first grade or other grades with openings, please contact June Nolet, Director of Admissions at 603-889-6054 ext.203. Registration for the first grade is limited to the first 11 applicants.
