Grace Lehto, a seventh grade student, and Nazirah Gerow, a fifth grade student, who both attend the Presentation of Mary Academy in Hudson, have won the state-level competition for the Knights of Columbus "Keep Christ in Christmas" contest. Grace's poster featured a large Christmas tree in the background with alternating red and green block letters spelling out the words 'Merry Christmas.' The "Christ" part was drawn in a nativity scene. Nazirah created a poster in the shape of a present with emphasis on the letters C-H-R-I-S-T in the word Christmas. Both girls have advanced to the International level.
