

Students Do the Most Amazing Things

As the first media outlet to tell the community about the new Gymnasium and Arts Center being built at the Presentation of Mary Academy, little did we know that a group of students had told their schoolmates about it. Not in whispers like, 'we're getting a new gym,' but in a song written by the students. It is a tribute to what goes on at the academy.

Use the QR code to watch the students perform and then come learn more. The public (adults) is invited to the kick-off celebration on Thursday, Aug. 27, at 7 p.m., in the Alumni Hall on the second floor. Please RSVP at newcenter@pmaschool.org.
