

PMA Enjoys Thanksgiving Feast

submitted by Presentation of Mary Academy, Hudson

The Pre-K three-year-old classes at PMA got to celebrate Thanksgiving a few days early. The two classes joined together to have a small Thanksgiving feast on Monday, Nov. 24. The students ate corn bread, pumpkin bread, popcorn and green beans, while learning the three sister foods known to the Native American crops. The students discussed what they were thankful for.

Students in Mrs. Heitmiller's class dressed as Pilgrims. Students in Mrs. Ribeck's class dressed as Native Americans.
