BUY-OUT FUNDRAISERS - \$350.00 PER FAMILY

December:	Christmas Lottery Calendars (25% profit towards buy-out)
Spring:	Walkathon (25% of profit towards buy-out)
Sept-May:	Shaw's/Hannaford Gift Cards (5% profit towards buy-out)
	Scrip Gift Card Program (2-16% profit towards buy-out)

***BUY-OUT FUNDRAISING FEE:**

Each family is required to raise a minimum of \$350 in fundraising funds to offset the tuition costs at PMA, or "buy-out" of any fundraising efforts by paying \$350 to PMA. Parents, who do not raise their \$350 throughout the year, will be billed in May for the remainder of the balance owed to the school. PMA relies heavily on fundraising activities to offset the difference between what we charge parents for tuition and the actual cost to educate one child at PMA. This year's actual cost is \$9,300.00. The Buy-out option is a fair and equitable practice for all families and guarantees a steady source of income for the school.

Examples: If a family participates in the Christmas Lottery Calendars, and grosses sales of \$200, the school will apply the fundraising proceeds of 25% (\$50.00) towards the family's buy-out fee of \$350. The same family now participates in the Grocery Gift Card Program. If the family purchases \$200 of gift cards per week, that family will get \$10 applied towards their fundraising fee. If an average family spends \$800 per month on food at Shaws, they will get credited \$40 per month towards their Buy-out Fee (\$40 times 10 months = \$400.)

Profits made from miscellaneous fundraising events such as Funfest in the fall, Book Fairs, Auction, Dress Down etc. will not be applied towards the buy-out option. These fundraisers help the school off-set the actual per pupil cost for each child attending PMA.

TUITION AGREEMENT 2018-19

We/I understand and agree to the terms of this agreement as stated in this document. We/I accept full responsibility for the tuition payment of my/our child/ren. The tuition rates are based on the assumption that:

- A) Each family supports the school's fundraisers and raises a net of \$350.00 for the school; OR

Equally important, it removes the school from the bill-collecting process and allows us to concentrate on the task of educating your child/ren.
