

# PMA'S ANNUAL SUMMER CAMPS

## GENERAL INFORMATION

- The Camp consists of five one-week sessions. The first session takes place the week of June 18-22.
- The Camp is open to PMA students only and will be operated by PMA Staff.
- The Camp operates in a relaxed atmosphere designed to allow each camper to grow and have fun in a safe and secure environment.
- Daily activities are the result of extensive planning to ensure that every camper's needs are met.
- Group leaders and counselors are carefully chosen and matched to the special needs of the varied groups of campers.
- All Camps include opportunities for 'fun in the sun' with an extended lunch period, time in the pool (swimming with a certified lifeguard), and social activities with members of other camps scheduled during the week.
- Every day, campers will need to bring their swimsuit and towel, a lunch, and indoor and outdoor shoes.
- The children will have opportunities to use the athletic field, pool, playground and other fun spots on the campus.
- Campers will be responsible for their own lunches except on Wednesdays when there will be free pizza (no substitutions). Refrigeration will be available.
