

Summer Reading Program

Incoming Grade 1

The purpose of this list is to help you choose book titles and authors. Many children have read them and enjoyed them. If you visit your local library, you will find many of these books. You must read 2 books and list them on your log sheet. Then you will do a report on the two books you have read. This year we will once again use the Loyola kids, "Book of Saints" by Amy Welborn. We will be using this book throughout the school year as well. For summer reading, choose one saint from the book, and have an adult read the story with you. Then do the saint worksheet and return it with the other two book reports.
